Logo competition

We need a new logo for our Primary School, what do you think it should be?

Would it include the initials EBPS?

Would it embrace our strap line:
'Driven to succeed today, tomorrow and beyond...Aiming high, together we can fly!'

We invite you to enter a design for our new logo that will appear on uniform, newsletters, website and posters from September.

Designs should be line drawings on A4 white paper. Please keep them fairly simple so that they can be easily replicated by printers.

Submit your design, along with name and class, to the school office by:

Monday 20th February.

Entries will be judged by school governors and the winning design will be announced in our newsletter. The successful artist will be invited to attend a special launch assembly where they will receive a reward and certificate acknowledging their important contribution to our school identity.

We look forward to seeing your ideas.

Nomination for Parent Governor.
All nominations should be sent in to the school office by 10am on Tuesday 31st January 2017.

On Monday a group of 10 children went to Sir Christopher Hatton School with Miss Robinson to take part in a Futsal competition. The children split into 2 teams and both teams won all of the games they played against other schools, with Earls Barton 2 narrowly beating Earls Barton 1 in their head to head game. The children represented the school well by trying their best and working well as a team. Miss Robinson was particularly proud of how well the children supported the other team from Earls Barton when their own team was not playing.

Last week Panda Class had their class assembly. It was obvious that there had been lots of practice in learning lines as every child spoke clearly and confidently. Parents must have been extremely proud, we certainly were. The children read and acted out scenes from the Elves and the Shoemaker and sang some songs which sounded great, even with a slight technical hitch. It was also lovely to see so many parents and siblings in school.
