

# Phase 2 Home Learning Challenges

Look at things around the room and say the phoneme they begin with. Can you hear the phoneme they end with too? Try writing some of them down.

Tell your grown-up which phoneme each word begins with and which phoneme it ends with. Do all of the words have the same number of phonemes?

Play a game with your grown-up. Take it in turns to give instructions. For example, 'Touch your f-ee-t' or 'Stand u-p'

Can you look in a book and find any of these tricky words? Which words did you find the most?
