

Sports Day on the rec was a huge success, with children competing to earn points for their Commonwealth countries!

EBPS ROUNDUP SUMMER 2

Our chance to show you all of the incredible things which have been happening at Earls Barton Primary School this half-term.

Our Year 6 children had a terrific time at their leavers party. Pizza, ice-cream and dancing all fully funded by our wonderful PTA!

A letter from the council caused outrage when they threatened to chop down our trees! Thanks to the children's hard work, writing a collection of persuasive letters, we managed to convince the council to stop their plans!

The children were certainly kept busy during healthy week! All children had the opportunity to take part in a variety of sporting activities: bowls, football, tag rugby, rounders and petanque, to name but a few!

Thistle Class had a great time working in groups to create 'Pop Art' based on themes that matter to them, like friendship, showing support for Ukraine and protecting trees.

Our EYFS children had a wonderful trip to the farm to link to their 'Ready, Steady, Grow!' topic. They built dens, pet animals, rode a tractor, watched piglet racing and even played on the adventure playground!

Year 3 have been tasting different dips as part of their 'Dips & Dippers' unit in Design & Technology - it was wonderful to watch the children trying something new!

Year 6 had an absolutely incredible time on their residential trip to Buddens! They enjoyed fantastic activities, including: climbing, abseiling, paddle boarding, archery and more!

A group of our Year 5 children had the opportunity to work with author Matt Beighton for the day! They were accompanied by our own resident author, Kate Horspool, and picked up a few useful tips.

Snowdrop Class have been incredibly busy in Design & Technology, creating moving vehicles! They designed their vehicle, learned how to safely use a saw and finally made and tested their vehicles!

Year 2 baked biscuits and were very proud of their creations! They learned to measure, weigh, mix, roll out dough and cut out their biscuits. They shared their creations with friends and family!

Our whole-school music day was a tremendous success! It was a wonderful celebration of all things musical and a great showcase of children's talents and creativity.

Bartonian KS1

Sadly, we say goodbye and good luck to our Year 6 children, who will be moving on to secondary school in September. They have been tremendous representatives of the school and shall be missed by all!

They went out in style though! Having rehearsed their lines, learned the songs and put together some stunning costumes, Year 6 finally put on an incredible Leavers' Performance!
