

Our incredible Year 6 children became the first since 2019 to complete their Key Stage 2 SATs. We are so very proud of them and hope they enjoyed their treat of an ice cream on the field!

Daisy Class have been having a fantastic time at 'Forest School' on the field! They have been painting murals, searching for mini-beasts and completing leaf rubbings!

EBPS ROUNDUP SUMMER 1

Our chance to show you all of the incredible things which have been happening at Earls Barton Primary School this half-term.

Our members of the Key Stage 2 choir in Years 4, 5 and 6 proudly took part in the Young Voices concert in Birmingham! They sang their hearts out and were a real credit to the school.

Year 1 went on a terrific trip to Woburn safari park! They got to see a huge variety of animals and learned many new interesting facts. All the adults commented on how well behaved our children were- well done Year 1!

Year 2 have been planting sunflower seeds in science! They set up their own investigations to discover what plants need to germinate. They predicted which seed would grow best and will be measuring their progress.

Year 4 were excited to start their new science unit about electricity. Their pre-assessment allowed them to show off what they already knew including creating a circuit to power a light bulb.

To tie in with Mental Health Awareness week, we were fortunate enough to have Kim from Mini Me Mindfulness lead an assembly for the children. She gave them tips on how to develop positive mental health attitudes!

Year 5 have been receiving letters in French from their pen pals in Niort! They have learned all about their pen pals' pets, favourite foods and sports.

Year 3 have been learning all about the art of Kandinsky! As part of their unit, they used pastel colours to create a piece of art work in the style of Kandinsky.

Year 2 absolutely loved their Great Fire of London Day! They got to write with quills, sew and create candle holders. They ended the day by creating their own model houses which were later burnt to see how the fire had spread.

Bluebell and Snowdrop Class were treated to a musical recital by some of our students who take music lessons! The children also got the opportunity to come up and touch the instruments and get a feel for what they would be like to play!

Thistle Class celebrated Eid with Mrs Hooda! She told the class all about her family celebrations and shared a treat with the children. They all wished her Eid Mubarak!

Year 6 have been practising their food preparation skills as part of their D&T project to create an 'On The Go Snack'! The children peeled and chopped potatoes; chopped and de-seeded a pepper; and peeled and chopped an onion!

Year 1 have amazed us with their digital learning skills. Over the last few weeks, they have been learning how to use a digital painting program, learning what all the different tools do and how best to use them to create a picture!

Congratulations to our Bartonian winners from last term:

Bobby Henson, Jack Pugh, Oliver Hartwell, Fionn Hanson, Franklin Gent, Jenson Ashby, Olivia Hope, George Owen, Jacob Davies, Sophie Dillon, Zoe Pindai, Benjamin Swain, Elora Jurke, Mason McGarthland, Ivy Harte, Ally Doyle, Ellis Coleman, Buddy Hunt, Asa Weightman and Imogen Watton!

It was an incredible sight to behold over 400 children waving their flags and singing the National Anthem to celebrate the Queen's Platinum Jubilee!
