

1. Draw a portrait of your family members	2. Help make a cup of tea for yourself or someone else.	3. Fix something for someone else.	4. Present your dinner as if you were serving it in a restaurant.	5. Try origami – there are lots of tutorials on YouTube.	6. Design your own hat.
7. Design a family board game together	8. Try a new food that you've never tasted before.	9. Write the alphabet using a sport for each letter i.e. a – athletics, b – badminton.	10. Design a supermarket poster to promote healthy eating.	11. Upcycle a T-Shirt (ask permission first!)	12. See how good you get at juggling (try rolled up socks!)
13. Make a pop up card for someone else. There are lots of tutorials on YouTube.	14. Design a 3 course menu in the theme of your favourite book or film.	15. Impress your family with your best magic tricks	16. Review how healthy your breakfast was and how you could improve it.	17. Create some fun packaging for a pair of trainers.	18. Design the ULTIMATE sandwich.
19. Make and decorate the first letter of your name for your bedroom.	20. Redesign the packaging of your favourite food.	21. Create an egg cup out of anything you can find.	22. Invent a new pizza flavour and ask your family for feedback.	23. Make a bridge out of materials and see how much weight it can hold.	24. Design a table place mat to help children learn about healthy food choices.
25. Discover a new skill through tutorials on YouTube and teach it to someone else.	26. Make a list of 20 dishes you can make with eggs.	27. Wash up!	28. Take part in an online design museum free virtual tour.	29. Create your own song for washing your hands. It needs to last at least 20 seconds	30. Practice weighing and measuring.

A fun way to be designing or making something every day. Do what you can, when you can – don't worry if not in order or if you have to adapt them to what you have available.

We would love to see evidence of your achievements.
