Could we remind you that teaching starts at 9am promptly. We have noted children arriving after this time, which puts their learning at a disadvantage. If your child is absent from school please contact the office by 10am either in person or ringing 01604 810371 option 1 - Thank you

Stay safe online!

In February, children will be learning about being safe online as part of national Safer Internet Day. We believe that internet safety education is a crucial element of the curriculum and an essential part of young people's development. Children access a wide range of technologies on a daily basis and it is important that they know how to keep themselves safe and recognise hidden dangers of being online.

Technology is not the problem; it's how we use it!

Find out more about how you can help your child stay safe online by using the websites below.

The School Nursing team have been here doing the Early Years Health Screening this week.

If you did not return your consent form it is not too late to do so as they are planning to do another session soon, date to be confirmed.

Key Stage 1 Choir letters were sent out electronically this week. We were very disappointed with the response of 3! We as a school are trying to be more environmentally friendly and not send out paper copies. We appreciate not everyone has a printer so will keep some paper copies in the school office or we are happy for a written permission note to be returned. This club is now full.

If you would like to receive this newsletter in colour via Parentmail please contact the school office or go on to our new school website www.earlsbartonprimary.org.uk to view in colour- thank you. If you need to contact us by e-mail please do this through the 'contact us' tab on our website.

We have some lovely photos of Foundation Stage children in their crowns as part of their learning theme of 'Turrets and Tiaras'.

Every child should have had a letter in their book bag this week regarding nomination for Parent Governor. We will be electing a new parent governor this term to join our Governing Body from the March 2017. Our parent governors are very valuable members of the Governing Body. We rely on them to help us keep in touch with what parents are thinking. All nominations should be sent in to the school office by 10am on Tuesday 31st January 2017. Every nomination must be signed.
