Violet Class Assembly

On Friday Violet class had their sharing assembly and the children managed to finish it within five minutes! In this time they showed some of their recent work including detailed drawings of Tree Frogs and story maps from our recent Talk for Writing book, The Great Kapok Tree.

I am sure we were all impressed with how brave and enthusiastic the children were. Thank you to all of the year three and four children for listening attentively and to the parents who were able to attend.

Well done Violets!

Year 6 Residential Trip to Swanage

The Year 6's had a wonderful, action-packed week away in Swanage last week. There will be more photographs and a write up next week.

Win EBPS a P.E. Lesson with Dylan Hartley!

Northampton Saints are providing an opportunity for a PE lesson to be taken by the current England Rugby captain Dylan Hartley.

All we need is your vote for **Earls Barton Primary School**.

The school with the most votes wins this fantastic opportunity.

We have all summer to collect votes.

Please feel free to pass on to other friends and family and get voting!

Follow the link to find out more.

Please remember to share the link with family and friends so we get as many votes as possible!

Thank you!

Earls Barton Carnival

Thank you to all the children who wore their World Book Day costumes to the carnival on Saturday. The school, not only won their category, but were also **'Carnival Overall Winners 2018'**! We are very proud and thank you to all the parents for getting the children there and to the staff who gave up their time to escort them.

Timely Reminder

Please remember to send your child to school with all the equipment they need for the day. If your child forgets something they need during the day, such as a packed lunch or PE kit, please bring it to the office and we will endeavour to get it to them in a timely way. Please be aware though, that there are over 470 pupils in the school, and if even a small percentage of pupils need items delivered to them, it can be very time consuming!

Thank you!

Muddy fund-raiser!

On Saturday 2nd June, Joshua from Oak class ran his first 5km muddy obstacle race and raised £260 for cancer research. Well done Joshua!

School Visitors!

On Wednesday we had our first of six sessions with Homegrown Care Farm. Andy and Julie brought into school a selection of animals including dwarf rabbits, ducklings, a beaded lizard and hedgehogs. Over the course of the session the children attending the session learnt a little about each animal and took it in turns to hold and pet them. It was lovely to see the older children supporting and encouraging the younger children along with the care and respect the children gave to the animals. We are waiting with baited breath to see what animals will be coming to visit over the coming weeks... llamas, sheep and donkeys have been mentioned in passing!
