Founders Day

On Thursday last week lots of our pupils and some staff wore a different uniform to school! We had Rainbows, Brownies, Guides, Cubs and Scouts. It was amazing to see how many badges there are!

Anxiety Workshop

There are still places available on the Anxiety Workshop on 15th March. Please see the poster at the end of this newsletter. If you would like to book a place, please visit the school office.

Water Bottles

We have water fountains that the children can use at lunch and breaks. Please remember to send your child in with a water bottle to use in lessons.

Year 5 Canada Projects

Year 5 were set project work on Canada last term. Year 5 classrooms are now absolutely full of some very inspiring projects. Some are interactive, some large, others very colourful, but all are very impressive and reflect the effort

pupils have put in. The picture shows Esme and Harry with their projects, for which they won Wow Wednesday certificates, but well done to all year 5's for the outstanding effort!

School Vacancies: There is a vacancy for a lunchtime supervisor in KS1. Please see the school website for details and an application pack.

World Book Day! This week!

A reminder that World Book Day is on Thursday 1st March this year. Children can bring in a copy of their favourite book to share and, if they want to, dress up as a character from it. Whatever the book, we look forward to hearing why the book inspired their chosen character. If children aren't dressing up, they will need to come in school uniform as usual. Children should also bring in a small cushion as they will be moving around the school listening to stories being shared.

Request for shoeboxes:

If you have any spare shoeboxes at home, please could you send them in with your child. We would like some so we can create 'story boxes' for World Book Day.

Inconsiderate Parking

Thank you to those parents who park considerately when dropping off and picking up their children. There are a minority of parents who park on double yellow lines, block the pavement and block the entrance to the school. It is important to the school, to maintain good relationships with our neighbours, that local residents don't feel inconvenienced by inconsiderate parking. It is obviously also important that emergency access to the school is maintained. Thank you for your cooperation.

We would like to thank those parents who took the time to attend recent sessions in school on 'Online Behaviour' and Year 6 SATs. Whilst staff, who worked really hard and gave up personal time to facilitate these opportunities, were disappointed by the low numbers attending, feedback from those that did attend indicates that they found the sessions really valuable.

Spaces in after school clubs:

There are currently spaces available in the following after school clubs :

KS1 Little Shapers Tuesday

KS2 Zumba Wednesday

If you are interested in your child attending either of these clubs, please contact the school office. Thank you.

KS2 Free Zumba Trial this week!

If you would like your KS2 child to have a free taster session of Zumba, please make sure they have something sporty to wear after school on Wednesday and a drink. They will need to be collected at 4.30pm.

Apology: The music invoices that were sent out last week should say that the discount is applicable if the invoice is paid by 23/03/2018, and not 15/12/2017! We are sorry for any confusion.

How good was our attendance last term?

95.60% attendance across the whole school means we are currently **GREEN!!**

This is a fantastic achievement, Well done everyone.

Attendance

In KS1 we are pleased to announce that 'Attendance Ted' was presented to Crocus class for a brilliant 98.5% attendance the week before half term. They were closely followed by Bluebell class with 98.1%. Joint runners up, with 97%, were Violet and Daisy classes.

Joint KS2 Attendance winners before half term were Pine and Sycamore classes with 99.1% attendance. Runners up were Sunflower with 98.9%, closely followed by Laurel with 98.3%

Well Done Everyone
