**Headteacher:** Mr D Ribbins

Friday 22nd May 2020

**Self – belief**

**Honesty**

**Respect**

**Excellence**

**Kindness**

**Thank you for all the lovely pictures showing all the amazing activities you have been doing this week. We've had some fabulous stories and letters too!**

Eliza has made a collage of the desert and a model of Stonehenge. Both are brilliant!

Libby, Dylan, Paige and Edith, have all been busy baking. They all look yummy.

Poppy-Mae has written a recipe for cheese on toast and has also written a brilliant story!

Georgina has been making a fun boardgame whilst Amelia has been busy on Spelling Shed. Well done girls.

Once upon a time there was a man whose name was Dr Doctor.. he was a very unfortunate soul, nobody ever loved him. Untill one night...

"I've had enough!" He cried.

"Why will nobody love meeeee???" he wondered.

If I was to make a robot maybe... just maybe I could program her too finally love me. "Where would I need to go to find this machine maker?" He asked himself.

"OI! OVER 'ERE!" An unknown voice shouted.

... to be continued

Jessica, Oscar and Saskia have written excellent stories about robots and space adventures.

Libby and Ollie have made a fab cool shade area.

Thomas, Oliver and Benjamin have been very busy and have also written some lovely letters to their class teachers.

Oliver has been doing Maths Factor daily and is now top of the leader board.

Rose and Ruby showing off their lovely Hama bead creations

Jenson has been brushing up on his literary skills with this poem about lockdown.

Lockdown begun on the 23rd of the 3rd,  
It was such a worrying time with everthing we heard.  
From one walk a day,  
To people going without pay,  
We have to take it day by day.  
Playing in the garden is so much fun,  
But our homeschooling was barely being done.  
It is nice to watch my baby sister grow,  
But not seeing my friends is making me low.  
It feels like life will never be the same,  
But one day this memory will be so lame.

Hugo has been hitting some tricky words and numbers targets with his ball. Looks like his shots are spot on!

### Have your circumstances changed?

We are very aware that during these challenging times a lot of our families circumstances may have changed. There may be more children who are now eligible for Free School Meals. If you feel you may now be eligible to apply, please do so at <https://www.gov.uk/apply-free-school-meals/northamptonshire>. You will need to have your National Security Number to hand. If your family qualifies, then vouchers are available to help during school closure periods. Additionally, when school re-starts, there will be a personal allowance for each eligible child for families to spend supporting their child's education.

### Have your contact details changed?

If your contact details have changed—please can you let the office know via [schooloffice@eb-pri.northants.sch.uk](mailto:schooloffice@eb-pri.northants.sch.uk)

Thank you

### Year 3 and 6 residential update

The Department for Education is currently advising against domestic trips (residential and non-residential) for children under 18 organised by education settings. This advice is due to be reviewed on the 1st June.

Due to the uncertainty moving forward and due to the fact that the year 3 residential should have already taken place, the decision has been taken to make a claim through our insurers.

As the year 6 residential is due to take place towards the end of June, we will need to await the further government guidance before any firm action can be taken. Should the advice remain the same then we will submit a further insurance claim for the year 6 residential.

Please be assured that as soon as we have received monies back from the insurers we will start issuing refunds to parents.
