PE Kits: We have put all the PE kits in the foyer outside the school office. Please come and collect your child's kit at any time during school opening hours.

Learning journals: Blank learning journals are available to collect from the foyer. Please do come and collect them if you need them, but don't worry if you can't get in to collect them. It is fine to return your child's work in another book. There is a red box in the foyer to return completed learning journals for feedback.

Feedback: Please feel free to email your child's work or photos of what they have been doing to the email address below, so we can give feedback and encouragement.

Thank you

Daisy Pod

This week the children in Daisy pod have used different resources to make crowns. They have also been learning about 2D shapes. The children have created 2D shape characters and also went on a shape hunt around our outdoor spaces- we even spotted a hexagon!

We are the Pretty Pod!

This week in the Pretty Pod we have been.....

....Researching for a fact file for our topic on 'Around the World'.

.....Joining in an online music lesson and enjoying finding the pulse and rhythm.

....And making self portraits on the playground.

Joseph's home-growing and home-baking:

Please do still send pictures of your children who are at home for inclusion in the newsletter to: schooloffice@eb-pri.northants.sch.uk
It would be helpful to write in the email that you are happy for photos to be used in the newsletter. Remember you can also send pictures and work to the school for teacher feedback to the email address on the front page of this newsletter.

Bee Kind

On Wednesday during our English lesson, I heard an annoying buzzing sound close to my ear. With a shriek I leapt from my chair, it was the most enormous Bumble Bee! After flying around the room, it fell to the floor, exhausted. We were all concerned about the bee as it wasn't moving. Mrs Stanton thought it might need sugar so she dripped some of her juice near it. About an hour later, the bee suddenly flew out of the open window—we all cheered at the top of our voices! We quickly realised that we had shown one of our school values and that was KINDNESS!

Have your circumstances changed?

We are very aware that during these challenging times a lot of our families circumstances may have changed. There may be more children who are now eligible for Free School Meals. If you feel you may now be eligible to apply, please do so at <https://www.gov.uk/apply-free-school-meals/northamptonshire>. You will need to have your National Security Number to hand. If your family qualifies, then vouchers are available to help during school closure periods. Additionally, when school re-starts, there will be a personal allowance for each eligible child for families to spend supporting their child's education.
