There will be 3 sporting challenges to try each week - no special equipment will be required and the challenges will be quick, inclusive and simple. Support will be provided through coaching tips in order for maximum performance!

They will also be setting themed puzzles, quizzes and problem- solving activities. Plus, launching a Skills Showcase to enable sharing of videos and photos of the challenges across each week.

The Virtual School Games Day on Thursday 9<sup>th</sup> July, will be a celebration of sport and physical activity with a virtual opening ceremony followed by an 8 activity skills circuit. ### **Have your circumstances changed?**

We are very aware that during these challenging times a lot of our families circumstances may have changed. There may be more children who are now eligible for Free School Meals. If you feel you may now be eligible to apply, please do so at:

<https://www.gov.uk/apply-free-school-meals/northamptonshire>.

You will need to have your National Security Number to hand. If your family qualifies, then vouchers are available to help during school closure periods. Additionally, when school re-starts, there will be a personal allowance for each eligible child for families to spend supporting their child's education.
