Holly Class Assembly

This morning Holly class took us back to Ancient Greece and performed a re-enactment of The Adventures of Odysseus when he blinded Polyphemus, the fearsome cyclops. Following an extremely busy week of activities, the children performed fantastically well, remembering all their lines. We would just like to reassure everyone that no Barbie dolls or sheep were injured during the production of their show.

Mrs Turvey

I loved the part where the Cyclops ate the dolls and Zeus laughed. Miller

Our class assembly was amazing, and my favourite part was when the Greek Gods told Odysseus his punishment was from Zeus. It was my favourite assembly I've ever done. Lily

Today was our class assembly. It was my favourite because we acted it out. Mason

Year 5 Bikeability

Bikeability was so fun, we went all the way to Shoemakers Close. I had a blast.

Andrew

I had fun going up and down hills, learning new skills and learning the positions in the road. Also, the safest way to walk with your bike! Ella

It was so fun. I learnt so much about what a minor road is and a u-turn, also my right of way. Maisie

I learnt a lot of turns.

Caitlin

It was fun when we started riding. Charlie
