In school this week.....

Times table success in Poppy class!

Tom, Anya, Jamie, Sophia and Harrison celebrated achieving their Bronze 144 this week. Well done to Rose for achieving her Silver 144!

Producing Poetry in Poppy Class....

Well done to Rosie and Daisy for writing these imaginative sky poems.

In Thistle class this week....

Sugary Science

Good news and bad news, from Dylan, Jenson, Joshua and Safiyah...

Good news:

In Science this week we were challenged to all do the year 4 activity, despite the fact that some of us are only in year 3! We worked in a mixed group of year 3 and 4s and succeeded!

Mr Stockham was very proud of our hard work. Our group stood out though, we nominated Safiyah for a SILVER CARD because of the way she led our group and helped everyone when they needed it. She is a great leader and really kind - and only in year 3! Thanks to her help we have all produced some great bar charts.

Bad news:

The government recommend that children our age should only have 6 teaspoons of sugar in our food and drink in a day. This is a tiny amount compared to some of the foods we love to eat!

Chocolate bar = 8tsp

Cup Cake = 4tsp

Fizzy drink = 9tsp

In Pine class this week.....

We have been looking at ways in which to make our writing interesting by using adjectives and exciting vocabulary. We wrote a paragraph where we had to try and make it scary.

The monstrous Tarantula stared at the children. Its blood-thirsty, menacing eyes scanned the room. Thick hairs covered its colossal body and swayed like dead weeds. Its murderous legs, like rocks, stood strong.
Logan

The ferocious Tarantula glanced at the children. Its deadly, blood-thirsty eyes scanned the room. Grey hairs covered its colossal body, they swayed in the wind. Its hypnotising legs, like volcanic rocks, stood strong.

1st Sycamore Class

2nd Oak Class

3rd Ash Class

It has been great to see so many children accessing Spelling Shed as part of their Spelling Homework. Each year group from Year 1 to Year 6 have been set assignments to help them practise the spellings or phonics that they are working on in school.

We would like each child to access Spelling Shed 3 times a week but the more they go on, the more points they earn for their class, which will help to improve their position in the School League. Currently Sycamore are leading the way, with Oak and Ash hot on their heels!

Sycamore Class have been doing so well that this week they broke into the top 10 of the Spelling Shed World League (9th) with Oak Class close behind in 13th! Well done Year 6!

Remember you can find your child's unique login details on the inside back cover of their Home School Book.

We have been asked to share the NHS test and trace app with you, to help circulate it to as many families as possible:

<https://covid19.nhs.uk/>

The app is aimed at adults and children over 16. We are aware that some of our Y6 children bring in their mobile phones, so if any of our children have the app, and are notified by an alert, that they have been in the vicinity of someone who has tested positive they should tell an adult in school without delay. This is in line with our Risk Assessment, which is available on the school website.

AGM

Annual General Meeting

Everyone is welcome.

Stay informed and get involved.

Earls Barton Silver Band Club

Monday 5th October 2020

7:30pm start

Please Email: Earlsbartonps.pta@outlook.com if you hope/plan to attend or are interested in joining our team, so we can set up for a socially distanced meeting in accordance with current guidelines
